10. **ADMINISTRATOR'S REPORT:**

- **Reallocation of Funds to Cover Cost of Work Order Change for Siding and Soffit Project:** Administrator Mielke and Jim Hill updated the Committee on the project and the reallocation of funds to cover the cost of the proposed work order for changes regarding the siding and soffit project. The siding was initially found to be defective in 2014. Clearview joined a class action suit regarding Certainteed and filed a claim. A partial payment of \$60,614.38 was received on March 10, 2017. In 2019, a request for bids for siding and soffit replacement was issued. Home Path Financial submitted the low bid of \$319,050.00. On-site work for the project began on April 6, 2020. Home Path Financial brought to the attention of Clearview staff that in removing the old siding there was not an air gap behind the siding as shown on the RFB drawings.

Boldt Construction, the original siding contractor, was contacted regarding the air gap; there is an ongoing discussion regarding the issue. It was determined that vertical Z furring needed to be added to create the air gap. Hardie Plank will not allow the new siding to be put on without an air gap. Home Path Financial presented a Change Order for \$42,000.00 to add the Z furring to create the air gap for expansion and moisture. Corporation Counsel Kim Nass suggested in order to keep the project moving forward an option would be to divide the change order into two orders, one for \$25,000.00 and a second one for \$17,000.00. In the interim, additional research will continue regarding the lack of the Z furring during the original installation.

A resolution sponsored by the Health Facilities Committee will be brought forward and presented to the County Board to authorize an adjustment to the original project budget. The \$25,000.00 Change Order has already been signed; the Z furring has been ordered. The completion deadline is the end of August 2020. An update will be provided to the Health Facilities Committee in conjunction with the June 3, 2020 meeting.

- **Corporate Compliance Attestation: Kurutz gave a PowerPoint presentation.** Corporate Compliance is federally mandated; Clearview has been holding Corporate Compliance meetings since 2012. Clearview staff were required to review the resident rights in-service on Relias Learning by April 30, 2020. The next meeting for Corporate Compliance will be risk analysis for psychotropic medications. The Health Facilities Committee signed an in-service training sign-in sheet, attesting that they were educated on the yearly Corporate Compliance Plan / Risk Analysis. The Corporate Compliance Plan will be sent out to the Committee after the meeting, via e-mail.
- **COVID-19 Update:** To date there are no positive cases of COVID-19 for residents or staff. The State of Wisconsin has a goal to test all nursing home residents and staff by the end of May 2020. Currently temperatures of staff are being taken twice a day (when arriving at work and about halfway through their shift), as well as filling out a Screening Questionnaire about any symptoms staff may have or not have. Masks are worn by all and when necessary, gloves and gowns are worn. Clearview has enough surgical masks for about 70 days for staff to use. Visitors are not able to visit (per DHS guidelines). Hospice (one R.N. and one C.N.A.) is able to come in for end of life care.

- **Staffing Updates and Vacation Incentives:** Kurutz reported that 48 staff members were able to have off using vacation time in the month of April. There were 21 new hires in April, consisting of Certified Nursing Assistants (C.N.A.), Hospitality Service Aides, and food service workers. There will be a C.N.A. class in June.
- **Daily Dodge Market Analysis:** Kurutz reported on Daily Dodge's analytics for marketing purposes. Rehabilitation and admissions advertising airs on WBEV; 95X advertising is geared towards the younger population and job opportunities. Executive Director Somers may make an on-air appearance in the next month and introduce himself to the community.
- **Approval of Friends of Clearview Expenditures:** Motion by Hilbert to approve the requested expenditures in the amount of \$1,497.00; seconded by Miller. Motion carried.

FINANCE REPORT ~ Nicole Grossman:
